Jabra

VIVA VOCE Jabra SPEAK 410 OC

Caratteristiche prodotto:

- Vivaloce ottimale per audio conferenze sia one-to-one sia per piccoli gruppi
- Qualità audio in banda larga che assicura un'acustica davvero cristallina
- Facile da trasportare – Design compatto, cavo integrato e custodia da viaggio
- Soluzione ottimizzata per Microsoft® Lync™
- Soluzione compatibile con la maggior parte delle soluzioni Unified Communications e VoIP
- Facile da utilizzare con il controllo chiamate diretto e la suoneria integrata
- Ingresso cuffia per chiamate private

La tua conference room UC portatile

Jabra SPEAK™ 410 è un vivaloce sviluppato per tutti i professionisti che hanno frequentemente necessità di effettuare audio conferenze. Il suo design compatto e la custodia da viaggio lo rendono uno strumento ideale da portare ovunque e il cavo integrato ne assicura un facile e comodo utilizzo. È la soluzione perfetta per facilitare le audio conferenze e, quindi, la collaborazione a mani libere.

Semplice da installare e utilizzare

Jabra SPEAK 410 è compatibile con tutti i maggiori produttori di soluzioni Unified Communications e VoIP– Scarica i driver gratuiti da www.jabra.com/PCsuite.

L'unico e intuitivo strumento con controllo diretto che ti permette di effettuare la gestione delle chiamate, regolare il volume, optare per la modalità mute e rispondere o terminare una chiamata. La suoneria integrata ti permette di non perdere nessuna chiamata.

Qualità audio professionale

Grazie all'avanzata tecnologia Digital Signal Processing e alle qualità audio in banda larga, Jabra SPEAK 410 assicura un'acustica davvero cristallina. Il suo potente altoparlante e il suo microfono omnidirezionale integrato offrono una copertura a 360 gradi e assicurano che tutti coloro che partecipano alla conferenza possano sentire e farsi sentire chiaramente.

Vantaggi per l'uso individuale

Grazie al suo ingresso per cuffia da 3,5 mm e al suo audio full-duplex, Jabra SPEAK 410 è l'ideale per le conversazioni one-to-one e per altre funzioni, come le applicazioni di e-learning e l'ascolto di file audio dal proprio computer. È facilissimo passare alla modalità chiamata individuale per non disturbare i colleghi in caso di uffici open space.
